

ESG106AP battery driven hydraulic cutting tool

- Portable Size**
 Better working balance, easier to operate and carry
- Lighter Weight**
 Reduce work head weight by 35% and overall weight by 17%
- K-CHET (work head enhancement technology)**
 Working head enhancement solution provides overall optimization on longer working life, better stability and less power consumption
- Excellent Cutting Performance**
 Quality structural alloy steel with high strength, featuring excellent balanced strength and tenacity

© Technical Specification:

Order No.	68913
Working force	120 kN
Cutting capacity	Copper-aluminum armored cable
Opening size	Diameter 105mm
Tool weight	9.5 kg (with battery)
Charging time	About 80min
Cycles per charge	10KV 3×400mm ² YJV22 cable, about 80

© Standard Configuration

Model	Description	Quantity
ESG106AP	12T Cutting Tool	1
KB- 1850	Klauke 18V 5.0Ah lithium battery	1
KBC - 30	Klauke 18V lithium battery charger	1
STRAP	Tool strap	1
HANDLE	Tool handle	1
KKA - PISTOL	Klauke plastic toolbox	1

© Optional Accessory:

Order No.	Model	Description
KB - 1850P	KB - 1850P	Klauke 18V 5.0Ah lithium battery
KB - 1825P	KB - 1825P	Klauke 18V 2.5Ah lithium battery
KBC - 30P	KBC - 30P	Klauke 18V lithium battery charger
68548	KKA - PISTOL	Klauke plastic toolbox
61778	STRAP	Strap
71813	HANDLE	Tool handle
